

OLUDENIZ BEACH

Oludeniz Blue Lagoon Turkey is a wondrous place famous for its beautiful beaches and historical sights. It should be mentioned that the Blue Lagoon part of the Oludeniz beach resort is a rather quiet and peaceful place, so you won't find some noisy clubs and shows with much loud in the night time. In fact, tourists come here for other reasons.

During the holidays in Oludeniz Turkey you should definitely visit its beaches, there are 3 main ones. You can choose between 3 zones of a beach – free municipal beach zone and paid zone which is situated a bit closer to the Oludeniz Blue Lagoon beach. You can swim to the mini island and watch beautiful yachts or you can rent speed boat in Oludeniz or kayak and have a good time. If you seek more intimate atmosphere you should visit Kidrak beach which is never over-crowded, even when the season is high. Oludeniz beach holidays will stay in your memory forever as the time of your life! Oludeniz sea temperature is good for swimming from May till October.
