Diani Beach

Silky white sands, warm turquoise waters and palm-lined streets; Diani is the sliver of paradise marking the border where the African continent meets the vast Indian Ocean. A beautiful tropical beach retreat, it's often added at the end of a safari in Kenya for a few days' relaxation.
Diani Beach has been awarded the best beach destination in Africa for 5 years running, and it's easy to see why.

Located 30km south of Mombasa, this south coast beach is surrounded by the warm Indian Ocean, with countless beach resorts to accommodate you during your stay.

Diani Beach is everything that comes to mind when you think of a tropical paradise - rolling white sands perfect for sunbathing, crystal clear waters perfect for snorkelling, and an abundance of wildlife to discover.

Perfect for everyone from families to couples, visitors choose to head to Diani for a few days at the end of a safari in Kenya, but it's great as a standalone getaway too.
